Sir/Madam,

The ASRB is going to take up the assessment cases under the Revised Career Advancement Scheme (CAS) for consideration of promotion from Sr. Scientist grade (RGP Rs. 9000) to Principal Scientist grade (RGP Rs. 10,000) in respect of such Sr. Scientists (RGP Rs. 9000/-) who have rendered 3 years of qualifying service in the grade of Sr. Scientist (RGP Rs. 9000) up to 31-03-2023. Three copies of Assessment Proforma of only those Sr. Scientists who fulfil the eligibility criteria prescribed by ICAR (duly filled in by the Sr. Scientist himself/herself and authenticated/verified by the Director of the Institute) may be forwarded to the Secretary, ASRB latest by 30-11-2023. Forwarding authority of the Institute must ensure the eligibility of the Senior Scientist(s) for assessment/promotion under CAS. The assessment proposal of the candidate who does not fulfil the eligibility criteria prescribed by the Council, may not be forwarded to the Board.

2. The proposals in respect of Sr. Scientists, who were considered earlier under the revised CAS for the relevant assessment period, but not recommended for promotion to the grade of Principal Scientist from the due date, will be considered for next evaluation as per the revised CAS after 2 years from the due date of promotion.

(Illustration - Suppose, under the revised CAS, a Senior Scientist was considered to the grade of Principal Scientist for the period from 01-01-2016 to 31-12-2018 with the due date of promotion being 01-01-2019 but not recommended for promotion, the assessment proforma required to be submitted for next evaluation would relate to the period from 01-01-2018 to 31-12-2020 and his /her revised due date of promotion shall be 01-01-2021). Three copies of assessment proforma of such Sr. Scientists for the revised assessment period may also be forwarded to Secretary, ASRB by 30-11-2023.

3. The Directors of the Institutes, while forwarding the assessment proforma of the Sr. Scientists with Certificate mentioned at para 1 and 2 above, may also certify the authenticity of the attributes on each page of the assessment proforma (S.No. 1 - S.No.11-B) indicating the genuineness of the attributes in terms of actual contributions made by the concerned scientist without any duplicacy of records. Further, against Col. no. 9 of the assessment proforma of the candidate, it may be certified/endorsed whether the candidate was placed in RGP Rs. 9000 through CAS Assessment Committee or lateral entry through ASRB.

4. The proforma uploaded/available on the ASRB website ([www.asrb.org.in](http://www.asrb.org.in)) may please be used for proposal. Incomplete proposal and the proposals not in the prescribed format will be rejected and will not be considered during this spell of program for CAS.

5. As far as possible, the candidates/Sr. Scientists may furnish the information in the given space in the relevant assessment proforma only, rather than resorting to annexures. The proposal received after the closing date i.e 30-11-2023 will not be considered during this spell of program at any cost.

6. The mobile number/contact number/Email IDs of candidate as well as Director of the Institute may invariably be mentioned in the forwarding letter.

Yours faithfully

30/10/2023
