### **CIRCULAR**

It has been brought to the notice of the Competent Authority that some of the residents at Hill Block and Main Campus of CPCRI Kasaragod are rearing pet animals in their residential quarters. It is also noticed that the pet animals, especially the dogs reared by the residents are causing problems to the inmates, which has been viewed very seriously by the Competent Authority.

In this connection, it is informed that no pet animals should be reared/nurtured inside the residential quarters of the Hill Block Campus as well as in the Main Campus, failing which, necessary action will be taken against the concerned residents.

This is issued with the approval of the Director.
