To,
The Central Plantations Crops Research Institute, (C.P.C.R.I)
Kasargod,
Kerala State

Sir,

I want to setup allied small Scale Industries in one cluster of 4 processing units of minisize in one single roof as allied agro industries, since the coconuts are abundantly available as raw material by which there is scope to setup 4 processing industries as given below:

- 1) Active Caron from the shell of coconut .
- 2) Manufacturing BALL COPRA, MILLING Copra Etc.,
- 3) Dry copra by Sundrying or electrical drying.
- 4) White Coconut oil having foreign export avenues only.
- 5) Compost manufacturing from Coconut pith.
- 6) Fiber processing from coconut dehusk you

furnish the names and addresses of manufacturers of coconut climbers and enable me to purchase two climbers for climbing the coconut,, toddy and teaktrees.

Further you inform regarding your services, subsidies, and loan facilities available and offered, provided and supplied by you to our entrepreneurs, for setting up and starting feasible, viable and suitable coconut based industries, which are allied and agro based of export and fetching good market prices in India and foreign countries alongwith their comprehensive details, industry wise, brochures, and break of investments etc., and enable me to make survey, study, and identify feasible and viable coconut based industries capable of giving assured returns of 30% over the capital investment, preferably, export variety and / or import substitute due to the proximity of coconut groves in our area, being, coconut is a versatile product having varied uses under section 4(1)B of Right To Information Act 2005, against which Indian Postal Order of Rs.10/- bearing No.51F 483888 is enclosed herewith.

Furnish the list of seedlings of high yielding hybrid papayya varieties of coconut, mango, jack lemon guava, lime , sweet orange, Jamun etc of horticulture plantations, and seeds of pumpkin ashgourd, ginger, chilies, yam, onion, garlic etc of horticulture crops, with their quotations , and terms of your supply alongwith necessary brochures, leaflets etc., which you have been developing and offering to our yeomen, intending to start plantations and crops pf horticulture as a part of diversification from paddy to horticulture having export demand through Agriculture Products Export Development Authority .i.e., A.P.E.D.A.

Awaiting your early favourable reply .

Thanking you,

Rajamahendravaram
