Sub: Right to Information Act, 2005 - Information furnishing of -reg.
Ref: Your RTI application dated 02.02.2021

Sir,

With reference to your RTI application cited above information is provided hereunder:

ICAR-CPCRI is a research organization conducting research on coconut, arecanut and cocoa. It publishes salient research findings in the form of research articles, technical popular articles and research reports in the reputed research journals, magazines and newspapers. It extends the developed technologies to the stakeholders through technology transfer, training and demonstration, Krishi Melas etc. ICAR-CPCRI also has Agri Business Incubation Centre in order to provide the incubation facilities of the coconut based technologies (Virgin coconut oil, Coconut chips, Desiccated coconut powder, Activated Carbon etc.) to the interested entrepreneurs. The details of the developed technologies and incubation facilities are available in www.cpcr.gov.in, www.cpcr.icar.gov.in and www.cpcrigriz.in.

The services for starting coconut based agro industries/processing units, loan and subsidy facilities is being undertaken by Coconut Development Board, Ernakulam. They have very detailed project reports of coconut based processing technologies. The complete details are available at www.coconutboard.gov.in.

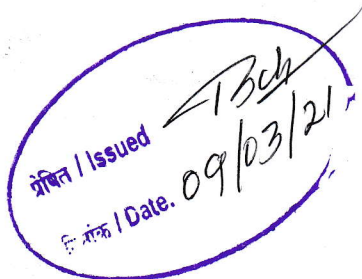

You may also refer the Publication "Improved varieties of coconut, arecanut and cocoa - ICAR-CPCRI contribution" at website of this office <https://cpcr.icar.gov.in> for information on different varieties of coconut, arecanut and cocoa.

This disposes off your request under the provisions of Right to Information Act-2005. In case you desire to file an appeal on this issue the same may be addressed to the Director, CPCRI, P.O. Kudlu, Kasaragod - 671 124, Kerala.

Receipt of this letter may please be acknowledged.

Yours faithfully,

(Janardhanan T.E)
