

Coconut products launched

- Staff Reporter

Opening up greater market avenue for coconut farmers, three delicious and healthy products manufactured jointly by the Indian Council of Agricultural Research (ICAR), Central Plantation Crops Research Institute (CPCRI) here and the Central Arecanut and Cocoa Marketing and Processing Co-operative Limited (CAMPCO) were launched in New Delhi on Saturday, marking the ICAR's 88th foundation day. The products were launched by Union Agriculture and Farmers Welfare Minister Radha Mohan Singh. ,
