 21st May 2015.

Public Information Officer,
 Central Plantation Crop Research Institute,
 Kasargod-671124,
 Kerala.

Sir,
 Sub: Production details of Bio Control for the last three years reg.

RTI Appln No 05
 2015-16

Our association is conducting a survey regarding demand production and consumption of bio control agents in Kerala. Therefore you are requested to give the production details of bio control agents produced by your Institution during the years 2012-13, 2013-14 and 2014-15. You may give both quantity wise and price wise production details of Bio control agents. The details of Trichoderma viride, Pseudomonas fluorescens, Beauveria bassiana, Metarhizium anisopliae, Verticillium lecanii, Paecilomyces lilacinus, Bacillus thuringiensis and others may be sent to us at the earliest under the right to information Act.

Thank you.

Yours Faithfully,

For Agri Bio Input Manufacturers
