Ref: 1.) your letter dated 25.07.2019 – reg.

Sir,

With reference to the above, the requested information is furnished below :

Sl. No	Query	Reply/Information furnished
01	For the production and quality control of Microbial Biocontrol Agents and Biofertilizer, is a Microbiologist is essential?	For production and quality control of biofertilizer, microbiology skills are essential and proficiency in microbiological techniques/procedures is a must. The information for Microbial biocontrol agent may be obtained from Head, Crop protection of this Institute.
02	If so why they are essential in such type of lab when compared to other type of biological lab?	Without the required knowledge, it is not possible to culture the microorganisms and study the quality control aspect.
03	Any other science Graduate is apt for this type of job?	At ICAR-Central Plantation Crops Research Institute, there is no specific post of production or quality control of biofertilizers, so you may please contact the relevant agency for finding out the qualification requirements for the job of production quality control manager.

This disposes off your request under the provisions of Right to Information Act-2005.
In case you desire to file an appeal on this issue the same may be addressed to the Director,
CPCRI, P.O. Kudlu, Kasaragod – 671 124, Kerala.

Receipt of the letter may please be acknowledged.

Yours faithfully,

(JANARDHANAN T.E.)
